PROFESSIONAL EXPERIENCE

SPACE GROUP OF COMPANIES | NEW DELHI | AUG 2022 – DEC 2025

Astroport Global

Senior Social Media Marketing

- **Growth Strategy** – Drove Instagram growth from 200 → 4.9K followers within 12 months through strategic content planning, platform optimisation and collaboration-led campaigns.
- **Performance Marketing** – Led analytics-driven social media and content campaigns, achieving ~10K daily reel views and sustaining consistent engagement growth through data-backed creative strategy.
- **Digital Expansion** – Increased monthly reach from 60K to 115K accounts (+129%) by optimising Meta Ads performance, refining targeting and implementing automation-led outreach strategies.
- **Content Leadership** – Directed end-to-end content strategy and production across graphics and video, ensuring cohesive brand storytelling, audience engagement and platform consistency.
- **Campaign Management** – Developed high-performing creatives and supported performance marketing initiatives focused on lead generation, conversion optimisation and measurable ROI.
- **Marketing Automation** – Implemented Interakt WhatsApp automation workflows to scale customer outreach and engagement across a 20,000+ user base.
- **Website Strategy** – Managed website content development, full content audits and ongoing updates to enhance digital communication, improve user experience and maintain brand relevance.

Space Technology And Education Pvt. Ltd.

Merchandise & Design

- Managed digital launch of 150+ official ISRO merchandise products across 30+ SKUs with integrated social promotion.
- Developed digital and social media creatives, boosting brand visibility and engagement.
- Optimized SEO-driven e-commerce listings, boosting organic discoverability and online sales performance.
- Collaborated on product design, packaging, pricing and positioning to maintain a premium brand image.
- Coordinated vendors on sampling and quality checks to ensure timely market-ready delivery.

Space Foundation | Social Media Manager & Analyst

- Managed and executed social media strategy to promote science education, astronomy and space sciences across public, educational and media audiences.
- Created engaging, platform-specific content and analyzed performance using data-driven tools to optimize reach, engagement and impact.

Project Lead: Space Apparel & Prototypes

- Led an educational prototype project featuring a high-fidelity Gaganyaan Astronaut Suit for public showcases.
- Designed functional uniforms for astronomy professionals, combining practicality with visual storytelling.
